TERMS OF USE

- All Inclusive Menu packages are exclusively available in Mirabilandia restaurants and bars; they don't include admission to the Park. To get admittance to the Park and benefit from the package it is necessary to be in possession of a valid entry document (regular admission ticket or season pass).
- The All Inclusive Menu package must be purchased by at least two people. In case of groups, the purchase must be made by all members of the group.
- The All Inclusive Menu Package for children is available only for children who are between 100 and 140 cm tall.
- The wristband is personal and non-transferable; upon collection it must be regularly worn on the wrist. In case of removal, alterations or tampering the Park staff is entitled to withdraw it.
- In case of damage (even unintentional) or loss of the wristband, no replacement or refund will be possible, either in full or in part.
- The All Inclusive wristband is valid only on the day of collection.
- Food and drink may only be consumed by the wearer of the wristband: it is not allowed to give food or drinks to other people (family members, friends, etc.). In case of non-compliance with this rule, the Park staff is entitled to withdraw the wristband and destroy it.
- At least 60 minutes must elapse between the collection of one menu and the next one. Please check the opening of restaurants and bars in advance, as availability and opening hours are subject to change.
- Each All Inclusive Menu consists of a three-item composition: a main dish + a side dish + a drink. The wristband owner is allowed to combine them together by selecting among the different menus available in the chosen eatery. The composition cannot be changed and must be requested at the same time, therefore it is not permitted to compose a menu by combining items available in different catering points. Packaged products (e.g. snacks, sweets, etc.) are not included either.
- Collecting a menu in part (e.g. by choosing one or two items only) does not give the wristband owner the right to pick up the next menu, or some items of it, before 60 minutes have elapsed.
- In case of an All Inclusive Child Menu, the child must compose his/her own menu by choosing among the menu proposals expressly aimed at children, where available.
- The drink included in each All Inclusive Menu is served in a glass; you can choose your drink only among the drinks available at the eatery you have selected. The All Inclusive Menu does not include drinks served in cans or bottles, nor beer, liqueurs or alcoholic drinks in general.
- Before picking up the menu at the chosen eatery you are required to show your wristband to our staff, who will check if it is regularly worn and scan the bar code printed on it.
- Management declines any responsibility in case the purchaser of the All Inclusive package declares himself/herself dissatisfied with its use. The All Inclusive package is not refundable in any case.
- Management reserves the right to withdraw the offer without notice.
- All Inclusive Menu packages are not available in case of Special Events.
